Thursday, April 29, 2010

Dear Sir or Madam:

On behalf of The Crescent Foundation, Inc. (TCF), the 501 (c) (3) non-profit section of the Gamma Eta Sigma Chapter(Tampa Alumni Chapter) of Phi Beta Sigma Fraternity, Inc., I would like to invite your company to sponsor our Fifth Annual Scholarship and Community Awards Banquet. It will occur on Saturday, June 5, 2010, beginning at 1:00 p.m, at the University of South Florida Marshall Center Ballroom, located at 4202 E. Fowler Ave. Tampa, FL 33620. The featured keynote speaker is Mr. Derrick Brooks, a very highly respected former player of the Tampa Bay Buccaneers Football Team perhaps destined for the National Football League Hall of Fame and a significant mentor for disadvantaged youth in the Tampa Bay community. Also, the banquet will have local television and radio personalities, elected officials, professional athletes, and civic and corporate leaders in attendance.

The banquet is a fund raiser for The Crescent Foundation, Inc. Scholarship Fund. Each year scholarships are given to local graduating high school students who have excelled as members of the fraternity's youth auxiliary group, the Sigma Beta Club. In addition, men of the fraternity at the collegiate level from the University of South Florida and the University of Tampa and the Tampa Alumni Chapter who have demonstrated educational advancement will be honored. Community leaders from the Tampa Bay area that exemplify the ideals of the Fraternity's International Programs of Bigger & Better Business, Social Action and Education will be recognized and honored as well.

Phi Beta Sigma Fraternity, Inc. is an international service and social fraternity that was founded on January 9, 1914 at Howard University in Washington, DC. The fraternity boasts over 150,000 members worldwide and has as its motto "Culture for Service and Service for Humanity."

TCF was founded in 2005 to provide scholarships for college bound graduating high school seniors. TCF mission is to offer educational and social programs and activities to males 13-18 years of age assisting them to excel in contemporary society by focusing on education, home and family, culture and society, athletics, and personal development towards a college education. Also, TCF strives to reduce health disparities by promoting health education, awareness and early access to medical care to prevent medical illnesses that shorten lives and reduce the quality of life in minority communities.
